

SELECTAMARKTM - From IdCardit

Asset Identification to LPS 1225

The Loss Prevention standard 1225 is an independent testing system for our Asset Identification Marking. The system combines **security marking**, **product registration** (model, serial number, value) held on our secure database, and **verification**. The database is available 24 hours a day, 365 days of the year to police, insurers and owners. Calls are free. The one-off registration fee is included in the prices below.

STENCIL CHARACTERS

HOW TO ORDER

All you need to do is decide the number of items you wish to mark. Then fill in this form and leave the rest to us. Initially, you may wish to start with certain materials, or by marking equipment in selected areas of the workplace. You can then expand your security marking programme when you have seen for yourself just how easy and effective Selectamark really is.
